The Chair hoped that a member of the Community Led Plan group would be willing to take on the role and this additional role would be considered again at the next meeting.

The meeting's discussion of the quote emphasised the need for more information regarding the purpose and process of producing a Neighbourhood Plan. This led to the Chair sharing information he had learnt in an addition to the published agenda

9b. Update from the Chair

The Chair recommended that attendees read the information available online at

<https://www.gov.uk/guidance/neighbourhood-planning--2>

to understand that the Steering Committee was for production of a Neighbourhood Plan and not a Neighbourhood Development Order.

A Neighbourhood Plan forms part of the development plan for an area, together with Rushcliffe Borough Council's Local Plan, National Policies and applicable European Union regulations.

A Plan looks to the future for 10-20 years. It must respect Listed Buildings, Conservation areas and Green Belt but is to be a viable plan for growth and sustainable development.

A Neighbourhood Plan for Bingham is an opportunity to shape the next large-scale development.

To achieve this, a Neighbourhood Plan needs wide consultation and to follow the formal steps of plan preparation which include;

- Designation of a Neighbourhood area (completed in Bingham)
- Prepare a draft Neighbourhood Plan by gathering evidence, engaging and consulting the community, meet with land owners and developers, identify and assess options, prepare proposals
- Publish a draft plan and consult widely, considering responses and amending the plan as appropriate
- Submit the plan to the Local Planning Authority (Rushcliffe Borough Council), who will check the submission, further consult on the submitted documents and appoint an independent examiner
- An Independent Examination
- Referendum on the plan requiring a simple majority of voters to approve
- When this process is completed, the plan comes into force as part of the statutory development plan for the designated area.

The meeting considered the information provided by the Chair and after discussion, **agreed** the following points;

- a. The next meeting should consider the strategic approach to future development in Bingham
- b. As a step to recruiting more members, the Chair would request the Town Clerk to write to those who had previously expressed an interest.
- c. The Chair would also contact the members of the Community Led Plan group to see if they would be interested in joining the Neighbourhood Plan Steering Committee
- d. All members were encouraged to read the gov.uk website regarding Neighbourhood Planning

10. To agree the next meeting date

The meeting **agreed** that the date of the next meeting is 7pm – 9pm, Monday 25th February 2019 in Meeting Room 1 at the Methodist Centre.

In closing the meeting, Cllr. Jane Costello as Mayor of Bingham thanked the Chair and attendees for volunteering to progress a Bingham Neighbourhood Plan.
